TITLE: Hawaii Teacher Standards Board Three Year Strategic Plan

The Hawaii Teacher Standards Board approves the following focus points for a three year strategic plan and directs the Executive Director to oversee preparation of a formal plan including measurable performance indicators for review and adoption by the HTSB no later than the April 2011 meeting.

Focus points for HTSB Three Year Strategic Plan:

- Teacher Performance Standards and renewal process;
- State Approval of Teacher Education Unit and Program Standards;
- The license fee structure;
- Essential and non-essential functions;
- License Reciprocity;
- Relationship to DOE as an attached agency;
- Licensure tests;
- Approve Hawaiian Studies content test;
- Statute and rules;
- Office efficiency and operations;
- Paperless license;
- Full implementation of the online system.
